

Laburnum Lodge
Announcement
ARMSCARE Ltd & 365 Care Homes Ltd

I am pleased to inform you that as from today, Friday 2nd June 2017 ARMSCARE Ltd has handed over the running and management of Laburnum Lodge in Littleport to Iroshan & his wife, Tishya of 365 Care Homes Ltd. Iroshan and Tishya operate a number of local businesses including Delph House Care Home, in Welney.

The Home will be managed by Ms Sayuri Lanka , who has a wealth of knowledge that relates to dementia care. Lanka currently manages Delph House and will for the short term be managing both Laburnum Lodge as well as Delph House.

All the existing staff of Laburnum Lodge will as of today be transferred under TUPE law to 365 Care Homes Ltd, so you will not see any changes to the terms of your employment contracts, hours, holidays, rates of pay. The only difference is that you will see more of Iroshan and his lovely wife who both reside locally in Littleport.

We will over the course of the next few weeks work with Iroshan to ensure that there is a totally smooth transition so that there is no noticeable difference to the staff, our residents and their families.

I would like to personally thank all the current staff, some of which have been with the Home a long time and seen it through some lows and highs. We hand over our registration in the strong knowledge and belief that the Home is rated as “Good” by CQC and this is primarily due to the dedication and hard work of the team currently in place.

I wish Iroshan & his wife, all the residents and staff well for the future and hope that you give the same support to the new providers as you have to Trina & Bernie.
